

## How to sell your vehicle

You may drop your vehicle from the Tuesday following an auction until the Wednesday before the next auction between the hours of 8:30am and 4:00pm

You need to have a title free of any liens and transferred to your name by the MVA.

If your vehicle sells for less than a \$1000.00 the auction fee is \$100.00.

If your vehicle sells for more than a \$1000.00 the auction fee is 10% of sale price.

You may put a reserve on your vehicle to ensure it doesn't sell for less than you are willing to sell it for. **If the vehicle is not sold there is a \$50.00 no sale fee each time you run it, each time it *doesn't sell*.**

**The no sale fee must to be paid by the Friday following the auction. Also you must contact us to re-run vehicle in the following auction. If you do not contact us to re-run the vehicle you will be charged a storage fee starting Tuesday in the amount of \$25.00 per day per vehicle.**
